S I R:

Supplemental to the IDS filed on July 5, 2007 and which was objected to in the Office Action mailed to the undersigned on October 4, 2010, and in order to satisfy the requirement under 37 C.F.R. §1.98(a)(3) for a concise explanation of the relevance of each item of information, applicant notes with respect to any information that is not in English language as follows:

European Patent Document EP 0 987 869 A2 describes an arrangement having a data processing system (2), a camera (3) and a visual display screen (8). There are control elements for processing at least one stored data set, and an interface (9) to the data processing system for access to the communications network. A coin and/or card mechanism (4) is coupled to the data processing system. There is also an arrangement for computing the cost of use, and debiting

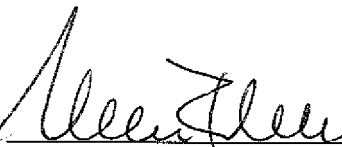

or retaining the costs from existing credit. An Independent claim is also included for a method of generating and propagating individual multimedia messages.

Applicant does not admit that any of the cited documents constitutes prior art against the pending application.

A copy of form PTO-1449 is enclosed. The Examiner is requested to initial the attached form PTO-1449 and to return a copy of the initialed document to the undersigned as an indication that the attached references have been considered and made of record.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment to Deposit Account No. 50-1747.

Respectfully submitted,

By:
